

Reducing Patient Identification Errors

while enhancing lean workflow

Thermo Scientific PrintMate AS Cassette Printer

Eliminate waste and streamline your labeling process by printing cassettes on-demand with the Thermo Scientific™ PrintMate™ AS Cassette Printer at the grossing station.

- Prints each cassette in 10 seconds or less
- Small footprint allows the printer to fit easily next to the grossing station
- Print only the cassettes you need, right at the point of use
- Print barcodes on cassettes to automate downstream processes
- Eliminate manual handwriting processes

New Product

Are specimen identification errors a concern in your laboratory?

The small footprint of the Thermo Scientific™ SlideMate™ AS Slide Printer brings the convenience of on-demand slide printing directly to the microtome. The SlideMate AS Slide Printer drastically reduces the chance for patient identification errors by allowing the laboratory to print accurate information at the moment the slide is required.
